Dear Parents/Guardians,

DBS PLANTING DAY 2017

Saturday 6 May 2017

Tree naming
Planting flowers

DBS Foundation Event

The annual DBS Planting Day is a conservation education programme for students as well as a fund raising event organized by the Diocesan Boys' School Foundation Limited. We believe that through active participation in the Planting Day and the involvement in growing flowers from the seeding stage, our boys will have a better understanding of nature and the importance of environmental conservation.

The DBS Planting Day 2017 will be held on **Saturday, 6 May 2017**. This year, our boys will be able to plant a mixture of flowers in seeding stage. The boys are encouraged to take one of the potted flowers home, to observe how it grows from the seeding stage (please bring a bag to take the pot home).

As part of the fund raising event organized by the DBS Foundation, parents are welcome to bid for the "naming right" of a tree. Please refer to the attached information for details.
