

Open House 2023 Precautionary Measures

For safeguarding public health, DBSPD will adopt the following measures:

1. Hygiene

All visitors are required to properly wear their face mask at all times. They are advised to wash their hands and use the hand sanitizer and sinks available on the school campus.

2. Crowd Control

Crowd control will be in place at indoor venues. Our staff and student helpers may guide you to line up outside the classroom for a short while. During the peak hours, you can first visit our school outdoor venues.

3. Please DO NOT visit if:

A. You are a confirmed case of COVID-19.

B. You show symptoms including fever or respiratory illness.
